DETAILED ACTION

Response to Amendment

This action is in response to the Applicant's amendment filed August 1, 2005. Claims 1, 3, 6-12, 14, 15, 17-20, and 51-75 are pending and will be considered for examination.

Allowable Subject Matter

Claims 1, 3, 6-12, 14, 15, 17-20, and 51-75 are allowed.

The following is an examiner's statement of reasons for allowance: Statement of allowance is in reference to independent claims 1, 51, 59, and 64. All other claims are dependencies of these independent claims.

The present application is directed to a process for providing event photographs of sporting events over a computer network. Independent claims 1, 51, 59, and 64 recite the uniquely patentable step of informing the sporting participants of the identifying data.

Any comments considered necessary by Applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
